

# WEO Video Capsule Endoscopy Network (VCEN) 2024

**Course Director: Jean-Francois Rey, France**

---

## Objectives

- To create a comprehensive and structured video capsule endoscopy learning program which can widen its reach to more trainees through three webinars and a hybrid congress at the WEO Capsule Endoscopy Global Summit (WEO CEGS) 2024 in Chongqing China in collaboration with the current market leader of Capsule Endoscopy – Jinshan medical, which is the manufacturer of the OMOM capsule.

## Features

- Basic capsule training online and on demand for emerging countries
- Basic teaching of capsule software
- Basic small bowel capsule indications

## Outline

- Three webinars followed by an on-site congress taking place in China
  1. Webinar 1: March 14, 2024 “Update on Capsule Technology”
  2. Webinar 2: June 27, 2024 “Capsule Endoscopy for Portal Hypertension”
  3. Webinar 3: September 9, 2024 “Capsule Endoscopy and Crohn Disease: Update”
  4. WEO CEGS: November 30, 2024 - registration fee for onsite/online participation will be waived for the VCEN participants

**\*\* Please note that the above dates might be subject to change without prior notice\*\***

- Webinars will be conducted via Zoom. Successfully registered participants will receive a webinar link in advance.
- Each webinar will last for 120 minutes and cover 4 topics. Each topic will have 20 mins lecture followed by 10 mins discussion.

## Application

- Applicants must apply via online registration form which will be available on the WEO website.
- All training will be conducted in English and applicants must have a high proficiency in English.
- All participants must be an individual member of WEO. Please allow time for WEO Individual Membership application which might take about one week to process.
- Terms and conditions are subject to change without any prior notice.
